EXPLANATION OF TERMS

BUDGET PLAN – This plan is available to all residential customers who are not in arrears. It spreads your payments over a 12 month plan. You may start the Budget Plan at any time. To do so, or for more information, call 215 235-1000 or visit any of our Customer Service Centers.

CCF - 100 cubic feet of gas. This is a measure of gas usage. **DEKATHERMS (DTH)** - A measure of the heat content value of gas. Gas usage is determined by multiplying the MCF used by the heat content value of the gas. One DTH equals approximately nine hundred seventy cubic feet. **MCF** - 1,000 cubic feet of gas.

COMMODITY CHARGE – The charge for basic gas supply service which is sold either by volume (ccf or mcf) or heating value (dekatherms).

CUSTOMER CHARGE – A monthly charge to cover NGDC costs such as maintaining the lines, meter reading and billing.

DISTRIBUTION CHARGES – The charge for delivery of natural gas from the city gate to the consumer.

GAS COST ADJUSTMENT – Amount billed or credited each month to account for differences between projected and actual gas supply costs of the Natural Gas Distribution Company.

METER READING INFORMATION – PGW shall use its best effort to obtain an actual meter reading regularly, and at least every six months for customers without automatic meter reading devices. When the meter is not read, we estimate your gas use. To avoid estimates, you may read your own meter and tell us the reading by calling 215-235-2050 at any time. We also offer stamped, pre-addressed post cards, which you can use to send us your meter reading by the specified date. To request a supply of these cards, call 215-235-2050, or write us at P.O. Box 3500, Philadelphia, PA 19122.

NATURAL GAS DISTRIBUTION COMPANY (NGDC) – A state regulated natural gas utility which owns the gas lines and equipment necessary to deliver natural gas to the consumer.

PAYMENT AGREEMENT PLANS – If you are behind and cannot pay your full bill, PGW offers special payment plans. Call our Collection Department at 215 235-1777 or visit any of our Customer Service Centers.

STATE SALES TAX – An approximate amount of your bill that is used to pay taxes to the Commonwealth of Pennsylvania.

WEATHER NORMALIZATION ADJUSTMENT (WNA) – An adjustment approved by the Pennsylvania Public Utility Commission as a way to help PGW stabilize its income and operate more efficiently within its budget during the heating season.

NATURAL GAS SUPPLIER

If you have selected a Natural Gas Supplier other than PGW, the Natural Gas Supplier is responsible for the billing of Natural Gas Supplier charges, unless your charges are consolidated on your PGW bill. PGW will bill for gas delivery according to the tariff for your rate class. Commodity prices and charges are set by the Natural Gas Supplier you have chosen. The Public Utility Commission regulates the distribution prices and services.

RIGHTS & OBLIGATIONS

A summary of your rights and obligations as a PGW customer will be made available upon request. A Rate Schedule and an explanation of how to verify the accuracy of a bill and an explanation of the various charges will be made available upon request.

Electronic Check Recovery Authorization

When you pay by check, preauthorized bank draft, ACH, or by a telephone authorized transaction you expressly authorized PGW, if your check is dishonored or returned for any reason, to electronically debit your account for the amount of the check plus a processing fee not to exceed the state maximum legal limit (plus all applicable sales tax). The use of a check for payment is your acknowledgement of this policy and its terms.

PGW Messages

Effective March 1, 2017 PGW rates have changed. Commodity Charge decreased to \$0.40871 per CCF. Gas Cost Adjustment increased to \$(0.00153). Distribution Charge increased to \$0.88147. The changes will decrease the typical residential heating bill by about \$44.96 a year.

Your estimated gas price to compare is \$0.40734 per CCF. This may change in March, June, September and December.
